

V3 – VINTAGE 2012

The 2012 V3, Baehner Fournier's top bottling is terrific. Deep, layered and beautifully expressive throughout, the 2012 has turned out nicely. A distinctly forward, fruit-driven Cabernet Sauvignon-based wine, the 2012 offers tons of depth, with silky tannins that wrap around a core of silky red-fleshed fruit. Hints of smoke, tobacco and licorice add further nuance on the finish. This is a strong showing for a property that is headed in the right direction.
